Impact Rela Nights – 1st Wednesday of Month

We believe God created our lives to be connected, that we would embrace God' loving relationship & our love for one another. Rela is short for Relationship and it's our prayer that these Rela nights build relationships in our youth group community through providing a fun atmosphere where all middle school & high school youth can connect. Typically, our Rela Nights are held on the first Wednesday of every month.

Impact Connect Nights – 3rd Wednesday of Month

We don't believe that the *only* way to connect with God is by studying the Bible. In fact, there are multiple scriptures throughout the Word that explain the importance of praising Him & joining together as Christians to share a meal as an encouragement to one another to continue building His church throughout the world. That's why we've designed the 3rd Wednesday of the month to be a night where we connect to one another over a free dinner provided by our Impact Dinner Team & we conclude our meal with a time of connecting to God in singing praises to Him. Typically, the Connect Nights are held on the 3rd Wednesday of each month.
